To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue Department,
Bangalore.

Sir,

Local Indent No.9376 .
Re Supply of Locks to the Government Departments during the year 1947-48.

With reference to your letter No.L.15144 dated 30-3-48 regarding the supply of Locks to the Office of the Chairman, City Improvement Trust Board, Mysore, I am directed to forward herewith a copy of contract (L.I.No.9376) regarding supply of Locks to the Government Departments during the year 1947-48. The contract for the supply of Locks for the current year has been entrusted to two firms instead of one to ensure prompt and timely supplies so as to avoid inconvenience to Government Departments, one of them being a local firm having its offices in Bangalore City.

2) Clear instructions were issued to the local firm in this office letter No.13643 dated 2-12-47 to meet the demands of the above said office immediately in preference to the other indents and a copy of this office letter was also sent to the Chairman with this office Memo No.13644-45 dated 2-12-47 (Vide copy enclosed)

3) Besides they had standing instructions to comply with the indents of the Departmental Officers promptly without causing inconvenience to Government Departments.

4) As they failed to abide by the conditions of the above contract inspite of reminders and did not execute the agreement thereof, the contract placed with them has been cancelled with effect from 2-3-1948.

5) Keeping in view that the interest of Government should not suffer, the question of fixing up a fresh contract based on the quotations obtained recently is under consideration and it will be fixed up as early as possible. Pending issue of a fresh contract for the year 1948-49, permission may kindly be accorded to the proposal of the Chairman to buy his urgent requirements of Locks direct after calling for quotations as the cost of his requirements may not be much.

I have the honour to be,
Sir,
Your most obedient servant.

Secretary,
Stores Purchase Committee.
